COMPANY OVERVIEW

AIR TECH

ENGINEERING SOLUTIONS

WHO WE ARE

Air Tech Engineering Solutions is a leading provider of Cleanroom, HVAC, Air Handling, and Industrial Ventilation Solutions. We specialize in designing, manufacturing, supplying, installing, and commissioning high-performance systems for pharmaceutical, healthcare, food processing, electronics, research laboratories, and industrial facilities.

With a commitment to quality, innovation, and customer satisfaction, we deliver reliable engineering solutions that ensure clean, safe, and controlled environments.

OUR EXPERTISE

- ✓ Cleanroom Design & Installation
- ✓ HVAC Systems
- ✓ Air Handling Units (AHU)
- ✓ Air Showers
- ✓ Pass Boxes
- ✓ Ducting & Ventilation Systems
- ✓ HEPA Filtration Solutions
- ✓ Industrial Air Management Systems

WHY CHOOSE US?

QUALITY ENGINEERING

Advanced solutions designed for maximum performance.

CUSTOMIZED SOLUTIONS

Systems tailored to specific project requirements.

EXPERIENCED TEAM

Skilled professionals with extensive industry expertise.

RELIABLE SUPPORT

End-to-end project execution and technical assistance.

TIMELY DELIVERY

Efficient planning and on-time project completion.

DELIVERING CLEAN AIR SOLUTIONS WITH PRECISION, QUALITY & INNOVATION

CLEANROOM SOLUTIONS

We offer advanced cleanroom solutions that ensure controlled environments with superior cleanliness, safety and efficiency for critical applications.

KEY FEATURES

-  GMP Compliant Design
-  Easy Maintenance
-  Durable Construction
-  Energy Efficient
-  Customized Solutions

PHARMACEUTICAL

CLEANROOM INSTALLATION

AHU & HVAC SYSTEMS

We provide advanced AHU & HVAC systems that ensure optimal air quality, energy efficiency and reliable performance for industrial and commercial applications.

KEY FEATURES

High Efficiency Performance

Energy Saving Solutions

Robust & Durable Construction

Low Maintenance Design

Customization as per
Project Requirements

Reliable & Long Lasting
Operation

AIR HANDLING UNITS

Our AHUs are designed to meet the highest standards of air quality and thermal comfort with efficient filtration, cooling, heating and ventilation.

HVAC SYSTEMS

Complete HVAC solutions for precise temperature control, ventilation and energy efficiency in all types of environments.

OUR PRODUCT RANGE

Comprehensive Cleanroom & HVAC Solutions

CLEANROOMS

Custom designed cleanrooms for pharmaceutical, healthcare, electronics & industrial applications.

CLEANROOM PANELS

High quality insulated panels with excellent strength, durability and thermal performance.

AIR HANDLING UNIT (AHU)

Provides clean, conditioned and filtered air for critical and controlled environments.

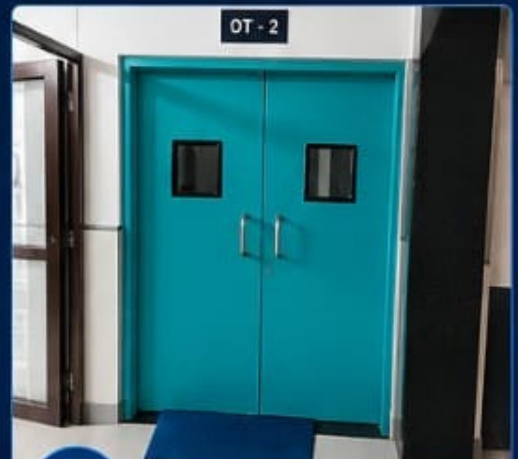

AIR SHOWER

Removes dust and contaminants from personnel before entering controlled areas.

PASS BOX

Ensures safe and contamination free transfer of materials between cleanroom zones.

CLEANROOM DOORS

Durable and airtight doors designed for controlled environments.

HVAC DUCTING

Efficient air distribution systems designed for optimal airflow, energy efficiency and indoor air quality.

AIR SHOWER & PASS BOX

Our Air Shower and Pass Box systems are designed to maintain cleanroom integrity by minimizing contamination and ensuring the safe transfer of materials.

KEY FEATURES

-  Effective Contamination Control
-  High Velocity Air Jets
-  HEPA Filtered Air
-  Stainless Steel Construction
-  Interlock System for Safety
-  Low Maintenance & Energy Efficient

AIR SHOWER

Air Showers remove dust and particles from personnel before entering clean areas, ensuring high standards of cleanliness.

PASS BOX

Pass Boxes allow the safe transfer of materials between cleanrooms without compromising the controlled environment.

WHY CHOOSE AIR TECH?

We are committed to delivering innovative, reliable and cost-effective engineering solutions that exceed expectations and create lasting value for our clients.

QUALITY ASSURANCE

We deliver superior quality products and services.

EXPERIENCED TEAM

Our skilled professionals ensure innovative solutions.

CUSTOMIZED SOLUTIONS

Tailored solutions designed to meet your specific needs.

RELIABLE & DURABLE

Built for long-term performance and reliability.

COST EFFECTIVE

Optimized solutions that provide best value for money.

AFTER SALES SUPPORT

Dedicated support for seamless operations.

INDUSTRIES WE SERVE

-  Pharmaceutical Industry
-  Healthcare Industry
-  Food & Beverage Industry
-  Electronics Industry
-  Research Laboratories
-  Automotive Industry
-  Commercial & Industrial Buildings

OUR COMMITMENT

At Air Tech Engineering Solutions, our commitment is to deliver efficient, sustainable and high-performance solutions while maintaining the highest standards of safety, quality and customer satisfaction.
